

## Serving Youth and Families in Crisis

*For professionals in psychology, behavioral health, and social work*

This presentation will be designed to inform and educate professionals of various disciplines to make them more comfortable working with youth in crisis, across settings.

### OBJECTIVES

1. Identify three (3) behaviors/situations that constitute "crisis" for youth.
2. Describe three (3) specific obstacles to parental engagement, and strategies for addressing those obstacles.
3. List four (4) support resources in their community or online to continue developing competency with youth in crisis.

### LOCATION

Zoom Meeting

### COST

No fee to attend this training.

### CATHERINE JONES-HAZLEDINE

PhD

Cate Jones-Hazledine, Ph.D. is a clinical psychologist from Rushville, Nebraska who returned home 17 years ago to provide services in some of the most rural areas of the state. She currently owns Western Nebraska Behavioral Health Clinics, with eight different service sites in the Panhandle and Sandhills. In addition to her clinical work, Dr. Jones-Hazledine is actively involved in training new providers and mentoring young people exploring careers in behavioral health. She is the co-director of Behavioral Health Education Center of Nebraska (BHECN) Panhandle and Adjunct Faculty with Chadron State College (CSC) and the Munroe-Meyer Institute (MMI).
